Football- Our school has been really busy!!- MATCH REPORTS FROM MR DREYER

Another enormous 'CONGRATULATIONS' to the Stanah football team; words cannot describe how proud we are of all of you!!

On Tuesday the Stanah A and B teams were in action in the inter-school six-a-side competition. Over 20 teams entered the tournament and Stanah B team played some amazing football and achieved 'third place'. Well done!

The A team progressed all the way to the final and won the competition by beating a strong Larkholme side 2-0. Amazing! And that's not all....

Last night, at Fleetwood Town FC, the Stanah A team won the League Finals for the sixth time in seven years, and completed the treble for the second consecutive season. Despite being 1-0 down in the semi-final, they kept fighting and defeated Sacred Heart 4-2, before beating Chaucer 3-0 in the final. You were all unbelievable.

Finally, I just want to take this opportunity to say to all members of the football team what a pleasure it has been coaching you this season; I have loved every minute of it! You are all a remarkable group of children! I'd also like to thank all mums, dads, grandmas and granddads (and any other family members!) for your fantastic support of the team this year - you are all brilliant too!

Thank you to Mr Dreyer for his continued hard work and enthusiasm this year coaching the football team and also Happy 'BIG' Birthday to you.

Upcoming PTFA events-there will be a FS & KS1 event on 8th June. These are always very popular and we look forward to seeing as many children as possible on the night.

Congratulations to William Thomas (4M) on being selected for the Wyre District U11's cricket team.

This is the next step up from club cricket and is part of the talent identification for Lancashire County Cricket Club.

Please, please, please can I urge you to read this Stanah Standard each week and then keep it safe for future reference.

STANAH STANDARD

Parent's & Carer's conversations with staff- it has been brought to my attention that a very small minority of parents & carers have recently spoken to staff in an inappropriate manner. This is something that the leadership team and Governors take very seriously. Whilst we appreciate that some conversations may be difficult to have we wouldn't expect people to shout or even swear at staff. All our staff deal with everyone in a calm and polite manner and we ask that this is reciprocated. All telephone calls are recorded in and out of school; emails logged on our server and face to face conversations will be written down in the event that as a school we need to report such behaviour on to the authorities.

School grounds work- This week Stanah pupils have swapped the classroom environment for the great outdoors! The infant children had a fantastic time this week revamping our outdoor area. They have painted beautiful pictures to make a mural, decorated pebbles to create a pathway, weeded and planted the pots and lots more. We are really grateful for all the kind donations from parents and local businesses: DIY workshop, Burnside garden centre, The Plant Place and Morrisons. Our outdoor learning has been great fun too and we plan to continue for the rest of the term.

KS2 children have been busy creating fantastic outdoor areas. A zen garden, vegetable patch and flower beds are just to name a few!

The local Gazette came to Stanah this week, if you want to find out more information there is an article in the Gazette today. Over the next several weeks, the school grounds will be transformed into a vibrant learning environment to enhance the children's education. A gardening club will be launched after half term enabling keen young gardeners to explore the wonders of nature. We are always on the look out for donations of compost, so if you have any spare please share!

Thank you to the parents who represented the PTFA by making brews for all our new families at the Induction Meeting this week and also for organising and running the KS2 entertainment event last night
