

Reception Newsletter

W/E 11th September 2017

This Week/Term

This week the children have been full time and have coped extremely well with the full days. We have been learning more about our school and have begun to develop the outdoor learning environment. We have continued our baseline assessment and have talked about our families this week and drawn them for our display.

Please can all the children have a pair of pumps in school for PE.

Don't Forget...

Children need a suitable coat for school with a hood for lunchtimes.

Please make sure that all items of clothing are clearly labelled.

If you are not signed up to ClassDojo please ask your teacher for the signup information.

Important Dates

Outdoor learning week: W/C 2nd October.

We Are Adventurers Day: 4th October- more information to follow.
