## W/E 10<sup>th</sup> November 2017

### Our learning this week.

This week we have been learning all about Bonfire Night. We have been writing about how we have celebrated Bonfire Night and have been making our writing better by listening to the feedback from our peers. In Maths we have been learning about addition using objects. We have also developed our birthday house and created birthday cards, banners and in teams we have made the role play area more interesting based around the children's interests.

### Can you help?

This week we have been developing the role play area with the children. Can you donate any of the following items?

Birthday hats, banners, napkins, plates, old birthday cards, dressing up clothes, numbered candles, birthday candles etc.

### Homework

Before half term the children came home with information regarding their baseline assessments. The homework until Christmas is based around developing and furthering the children's knowledge around number and Phonics. Please practise the formation of numbers and letters in the book provided. You can use the phonic flashcards to learn the sounds or to make words for the children to practise segmenting and blending. Please send evidence of this into school via the ClassDojo app. You can use the number flashcards to practise your child's number recognition and to practise ordering the numbers to 10. If you would like any support with this, please speak to your key person or class teacher.

### Special Events/Activities/News

Monday 20<sup>th</sup> November- **Reading workshop** for FS parents- 2.30pm-3.30pm or 5.00pm-6.00pm. We really recommend attending one of the sessions for tips on how to support the children at home with reading.
