Rossall School open day is on 07/10/17 10am to 2.00pm

All of these events are a wonderful window on what a school is like and I would recommend them to prospective parents.

IMPORTANT SCHOOL MEALS INFO-please have a look at the following webpage. It is very informative <http://www.servinglancashire.org.uk/pdfs/3589-Lancashire-School-Food-Plan-A5.pdf>

Thank you to Rev Jane who led her fortnightly assembly this week. It's always great to see her in school. Rev Jane has kindly offered the Church for our KS2 harvest festival on 11/10/17, thank you.

Please, please, please can I urge you to read this Stanah Standard each week and then keep it safe for future reference.

STANAH STANDARD

Congratulations to

Ella Witcher and Oliver Stott in Y6 who were appointed as our School Guardians for 2017/18. I am sure they will be excellent representatives of our school. Well done to the other shortlisted candidates for doing well enough to be interviewed.

Well done to absolutely everyone in school this week but especially our Reception children-we had our first fire evacuation of the year, everyone got out and assembled without any problems. The Reception children coped very well with the mass move of people and the loud alarm.

STEM Learning is a university based consortium dedicated to raising young people's engagement and achievement in Science, Technology, Engineering & Maths. This week, 4 of our amazing Year 6 pupils took part in a STEM competition to build their own balloon-powered car and then explore ways to make it go faster and further. Building a balloon-powered car provided our children with opportunities for investigation, team work and developing design skills. Well done to Morgan Snape, Hannah Bellamy, Ella Witcher and Oliver Hunt for coming 3rd in this year's Rossall School STEM Challenge with their brilliant balloon powered vehicle.

School Council- the Councillors have now been elected. Well done to all the successful candidates, we look forward to hearing your ideas and working with you.

Many thanks to PC Goss for her work with Y5 & Y6 on E-Safety and the legal implications of it. The content was interesting and appropriate for our children. It is very clear that nationally it is a growing issue and it's very important that we educate our children with the help of different experts.

Football-A huge 'Well done!' to the Stanah football team who were in action last Monday night. In a well fought contest, they defeated a strong Flakefleet side 4 - 1. Congratulations to you all - you all played brilliantly.

PTFA Message-You can also help raise funds by making purchases via the easy fundraising app, if you download the app and search Stanah School, we will receive cash back on all purchases that you make via the app, retailers include eBay and Amazon! Great for Christmas shopping!

Polite request-please could KS1 and FS parents make sure your children don't climb the trees in the school grounds whilst waiting in the morning-I've been informed that there was an accident earlier this week. Thank you.
