Stanah Standard

Issue: 431 - Week Ending: Friday 16th July 2021

Semana que termina Viernes 16 julio 2021

We are sadly saying goodbye to two members of staff. Mr Taylor has taught in Y4 this year and is moving to a school in Blackpool. Miss Aland has been a teacher in Reception this year. She is taking up a new post outside teaching. Thank you to both of them for their hard work and commitment to our children and school.

Water Party-Year 6 had an amazing party on Wednesday. They had a Water assault course followed by a huge water fight in the afternoon and then a BBQ. It was a wonderful way to celebrate Y6's time at school. Thank you to the staff and Mrs Boffey for arranging this for them.

Farewell

Goodbye to our Year 6 children, and good luck in your new ventures at High School. You have all been real Stanah Superstars especially in this very difficult year and we will miss all of you. Please try to remember the good times at school and treasure them forever. You have spent seven years working hard and achieving in many different ways. Well done and best wishes to you all.

Thank you to Rosie and Cameron, our School Guardians. Whilst in school, you have fulfilled your roles with real dedication and determination, I am very proud of you.
Thank you to our House Captains, Vice Captains, PALs and all our other children who have held positions of responsibility.

Thank you, firstly to our wonderful staff: teachers, support staff, office staff, welfare, catering and site staff for their fantastic dedication and hard work throughout the year. Secondly, to all the Governors who helped manage and lead the school and gave freely of their time. It is only with everyone's tremendous enthusiasm and energy that we are able to offer the fantastic learning opportunities that take place here in such challenging times. Everyone pulled together at all times and under such worrying times, they gave everything to keep the school open and safe for our children.

OUR AMAZING PTFA who continued spend a huge amount of time and energy raising funds with socially distanced uniform shops and refreshments at the Sports days.
We simply couldn't fund many of the things we do without your amazing support.

Thank you also to all parents & carers who have continually supported us throughout this very challenging year in so many ways: working at home to directly support children's learning and social development through the remote learning, supporting school with our difficult decisions to mitigate risk, collecting children at very short notice for testing or isolating, helping your families through their worries, supporting other families in our community, reading my lengthy letters about covid and school! We at school are extremely grateful that the Stanah Family pulled together when needed. Thank you so much everyone!

Despite the current Covid 19 restrictions, we are still busy in School...

Reception

This week reception have been continuing the farm topic, we have been looking at different farm animals. We have spoke about greedy goats, pigs and cows. The children have made a new friend from Big Barn Farm his name is Gobo! We have also looked at the artist Carl Diem and his amazing colourful cows, the children have created their own cow designs, they really enjoyed this!

Year 1

We have had an exciting week in Year 1 filled with lots of learning and laughter. In Maths we have been looking at statistics, creating our own block diagrams and tally charts based on class votes. We found out that Year 1's favourite animals are rabbits!

In English we have explored different story settings and the children wrote their own amazing setting description, using lots of imaginative language.

We enjoyed our visit from Fleetwood Town Football Club where we learnt about healthy eating and played fun team games.

The children have had an incredible year. Their enthusiasm and determination to succeed has been admirable and the staff are so proud of everything they have achieved. Well done Year 1!

Year 2

Year 3

We started the week off by writing to the England football team and discussing how we can be resilient and keep working hard even when things don't go our way (we thoroughly enjoyed following the team and we are sending them lots of positivity for next year!). In maths we have been investigating measuring length and perimeter, so lots of opportunity for practical work around the classroom which we all enjoy.

Year 4

An unusual week in Year 4, as we have all been bust working from home. Maths has been about statistics and using graphs to display data, and in English we have written a persuasive text about whether pupils should have to wear school uniform. As well as this, we have research a river and an endangered animal and created posters to present the information. On Wednesday, the girls beat the boys in a TT Rockstar competition - well done, girls!

Thank you to all the parents, carers, big brothers, and big sisters who helped the pupils with their home learning!

Year 5

Rounders, Hand-ball, Sports Day and Poetry have been the focus of this week; Year 5 have had an action-packed week of sports activities! Whilst topping up their suntans in this beautiful weather, they have been perfecting their skills and really showing the embodiment of teamwork! Alas, it doesn't stop there; in English they have been collaborating on their own pieces of personification poetry about the elements. In Maths, we have consolidated our understanding on converting the measurement of time and have enjoyed working out how many days old we are!

Overall, it's been a lovely, final (full) week and we can't beam enough about how proud we are of Year 5 this year - they're all Superstars!

Year 6

This week, Year 6 were impressed by Mr Clough's ability to cook on the BBQ at their end of year Leaver's Do and want to give a huge thank you to Mrs Boffey for organising an afternoon filled with fun, water and food! It's been an exciting few weeks recently as Year Six loved their residential at Borwick Hall, Sports Day and their end of year.

★ Stanah Superstars ★

It's really important for us to recognise our children's positive attitudes and achievements so the awards will continue but in the bubbles.

Sadly, we can't hold an assembly or invite Parents/Carers into school to the presentation of these. Mrs Twist and I now visit each class to award the certificates.

This week's Superstars will be on our School Story on Dojo.

Class FA	Maason Ogden	Class FH	Stanley Armer
Class 1D	Max Barton	Class 1P	Lola Wright
Class 2S	Thomas Turner-Jones	Class 2Sh	Joseph Haddow
Class 3B	Rosie Cardwell	Class 3L	Jennifer Parker
Class 4KP	Hayden Campbell	Class 4T	Tyler Brickhill
Class 5B	Jasper Gibson-Bird	Class 5D	Emily Twist
Class 6B	Danyal Mir	Class 6DT	Chelsea Brayshaw

**Congratulations!! - A well-earned Headteacher's award goes to
Callum Marks**

Well done! We are very proud of you all and your achievement.

**School closes on Tuesday 20th July
Have a fantastic summer. We'll see you again on September 2nd**
